

Business Profile

AMIET TRAVELS – THE BEST OF ALL

Corporate Employee Transportation Solutions
Moving People. Powering Businesses.

Since 2000

AMIET TRAVELS (AMIET REISEN)

Corporate Employee Transportation Solutions

Moving People. Powering Businesses.

1. Company Overview

AMIET TRAVELS (also known as AMIET REISEN) is a trusted name in the corporate transportation industry, delivering reliable, safe, and scalable employee mobility solutions since the year **2000**. With over **25 years of operational excellence**, we specialize in managing end-to-end employee and staff transportation for corporates, IT parks, manufacturing units, and multinational companies.

The word “**Reisen**” originates from the German language and means *to travel*—a philosophy that reflects our commitment to professional, disciplined, and efficient mobility services.

From a modest beginning to a large-scale operation, AMIET TRAVELS has grown into a professionally managed organization, currently transitioning into a **Private Limited Company**, with a strong foundation of long-term client relationships and operational credibility.

2. Company Snapshot

- **Established:** 2000
 - **Legal Status:** Registered Partnership (Private Limited – Process Ongoing)
 - **Core Business:** Employee / Staff Transportation
 - **Operating Model:** 24x7 / 365 Days
 - **Employee Capacity Handled:** 100 to 2500+ daily commuters
 - **Primary Locations:** Pune & Mumbai
 - **Service Reach:** PAN India (on-demand)
-

AMIET REISEN

3. Our Core Services

Employee & Staff Transportation (Core Business)

- End-to-end workforce transportation management
- Employee shift mapping (day/night/rotational)
- Pickup & drop requirements (home → office → home)
- Location clustering (pin codes, zones)
- Special needs (women safety, late-night drops, senior staff).
- Home-to-office and office-to-home services
- **Door-to-Door Pickup & Drop**
Passengers are picked up directly from their homes and dropped at their office location, and vice versa, eliminating the need for multiple modes of transport.
- **Fixed & Flexible Scheduling**
Services operate on predefined schedules aligned with office timings, with flexibility for shift-based or rotational work hours.
- **Dedicated & Shared Commute Options**
Available as exclusive vehicles for senior staff or shared rides for teams to optimize cost efficiency.
- **Professional Drivers**
Trained, verified, and experienced drivers ensure safe driving practices and courteous service.
- **Well-Maintained Vehicles**
Clean, air-conditioned vehicles with regular maintenance checks to ensure comfort and safety.

Benefits.

- **Punctuality & Time Savings** – Ensures employees reach work on time without stress.
- **Reduced Commute Fatigue** – Comfortable travel improves productivity and work-life balance.
- **Cost-Effective for Organizations** – Reduces individual travel reimbursements and parking requirements.
- **Enhanced Employee Satisfaction** – Reliable commuting boosts morale and retention.
- **Eco-Friendly Impact** – Shared rides help reduce traffic congestion and carbon emissions.
- Multi-shift and night-shift operations
- Dedicated fleet with backup vehicles
- Onsite coordination and centralized control

Value-Added Services

- Call & Spot Cab Services - Local 8 Hour 80 km / 4 Hour 40 km
- Long-term Corporate Car Leasing
- Premium & Executive Car Rentals
- Airport Transfers - Pune / Mumbai & Intercity Travel
- Emergency & Contingency Transport Solutions

4. Fleet Capabilities

AMIET TRAVELS operates a diverse and scalable fleet, supported by self-owned vehicles and a strong vendor ecosystem to ensure **100% availability**.

Fleet Categories: - Hatchbacks & Sedans (4+1): Etios, Dzire, Zest, Ciaz, Accent.

MPVs & SUVs (6+1 / 7+1): Ertiga, Kia Carens, Innova.

Tempo Travellers: 9 to 17 Seaters.

Mini & Large Buses: 27 to 52 Seaters.

Premium & Luxury Cars: Executive and luxury models on long-term lease or order basis

All vehicles are RTO-compliant, well-maintained, and replaced immediately in case of breakdowns or emergencies.

5. Safety, Compliance & Quality Assurance

Safety and compliance form the backbone of our operations.

- 100% RTO-compliant vehicles with valid permits
- Police-verified, trained, and uniformed chauffeurs
- GPS-enabled fleet with live trip monitoring

Live Vehicle Tracking (Real-Time Visibility)

- Track **exact vehicle location** on digital maps
- View **trip progress, stops, and deviations**
- Monitor **pickup/drop sequence adherence**
- Live ETA updates for employees and transport desk

Trip Monitoring & Control

- **Trip start / end verification** with timestamps
- Monitoring of **route compliance** (no unauthorized detours)
- Alerts for **over-speeding, harsh braking, or idling**
- Automatic **trip completion reports**

Employee Safety & Security

- **Panic / SOS button** integration for employees & drivers
- Real-time **emergency alerts** to control room
- **Geo-fencing** for sensitive zones (home, office, city limits)
- Late-night shift monitoring with special alerts
- Supports **women safety compliance** (crucial for IT/BPO norms)

Control Room & Transport Desk Dashboard

- Centralized **24×7 monitoring dashboard**
- Live view of:
 - Vehicle status (moving / idle / stopped)
 - Driver behaviour & compliance
 - Trip delays or route deviations
- Quick **incident response coordination**

Compliance & Audit Readiness

- Automated **trip logs & audit trails**
- Supports **corporate, client & statutory audits**
- Proof of service delivery (time, distance, route)
- SLA adherence tracking

- Dedicated trackers (1 tracker per 5–10 vehicles)
- Route familiarization and risk assessment
- Emergency response and backup vehicle readiness

Immediate Road Assistance refers to **real-time, on-ground support** provided to employee transport vehicles in case of:

- Vehicle breakdowns
- Road accidents
- Tyre punctures
- Battery failure
- Fuel issues
- Traffic disruptions or route blockages
- Medical or safety emergencies involving passengers
- Strict hygiene and cleanliness protocols

Continuous cabs in rotation - a **dynamic fleet of vehicles actively circulate on all major city routes**. These rotating cabs act as **live backup units**, ready to support any route instantly in case of **breakdown, delay, or surge requirement**.

“With continuous rotating cabs across all major city routes, we ensure **uninterrupted employee transportation**, even during breakdowns or sudden operational challenges—delivering reliability, safety, and SLA compliance at all times.”

All drivers undergo structured induction covering safe driving practices, customer behavior, city route knowledge, and emergency handling procedures.

6. Operations & Management Strength

Our operations are managed by a **team of 100+ trained professionals**, including operations managers, coordinators, supervisors, trackers, and chauffeurs.

- Dedicated operations manager for each client
- Onsite controller available 24x7
- Centralized coordination & escalation mechanism
- Fast billing cycle with transparent MIS reporting

Billing models

- Per trip
- Ad hoc
- Fixed monthly Packages per route
- 15-day credit period with audit-ready documentation

We follow a proactive approach to service continuity with standby vehicles and surprise audits to ensure consistent service quality.

7. Statutory Compliance

AMIET TRAVELS complies with all statutory and regulatory requirements, including:

- GST, PAN & Shop Act Registration
- Labour License, PF & ESIC
- Professional Tax, TDS & MLWF
- Employee Compensation Insurance
- Recognized Banking Partners (HSBC, HDFC, DCB)

Compliance documentation is readily available for client audits and onboarding processes.

8. Our Commitment to Clients

- On-time and reliable transportation
- Zero compromise on safety and compliance
- Transparent pricing and billing
- Dedicated support and accountability
- Long-term partnership mindset
